

EarlyON provides community meeting places for all children, parents and caregivers to grow, learn and have fun - together!

## JOIN OUR TEAM

EarlyON Child and Family Centres – Simcoe North, previously know as OEYC – Simcoe North, are open to all families and provide support, personal connections and a network of resources, as well as play and inquiry based programs for young children and their families. All programs are free of charge and are funded by the Ministry of Education and the County of Simcoe to allow for universal access.

We have two main sites, one in Midland, the other in Orillia, and 5 Satellite Sites across Simcoe North. All sites provide access to play and inquiry based learning, information on child development, parent education, early learning activities, referrals to community resources, nutrition information, pre and post – natal resources.
